

## Graduation Requirements

### ONTARIO SECONDARY SCHOOL DIPLOMA

All students graduate with the Ontario Ministry of Education regulated Ontario Secondary School Diploma (OSSD) with completion of:

- 30 course credits (1 credit = 110 hours of in-class instruction)
- 40 hours of community service
- Ontario Secondary School Literacy Test (OSSLT)

Ashbury is a non-semestered school. All Ashbury credit courses (Grades 9 to 12) meet or exceed the expectations of the provincial curriculum.

### ASHBURY DIPLOMA

In addition to the OSSD, Ashbury issues its own diploma characterized by its carefully planned academic structure, which includes a greater number of mandatory courses than the OSSD in the areas of:

- French or international language
- Physical and health education
- Arts
- World social studies

Students must also fulfill non-academic requirements that include:

- 60 hours of community service
- 9 terms of co-curricular activities

To encourage the development of student interests and proficiency in French, a bilingual Ashbury diploma is granted to students who earn seven credits in French:

- 4 Extended or Immersion French
- 3 social science courses taught in French.

Thirty graduates received this distinction this year.

### Evaluation

Ashbury's evaluation of student performance is based on a combination of continuous assessment and class tests (70%), and summative evaluations (30%) which typically includes a major assignment and a final exam.

### GRADING SYSTEM

In Ontario, the complete mark range is 0 to 100%, with a passing mark set at 50%. Honours-level marks are 80% and above. Courses are unweighted.
