1:00-1:45	Period 4
1:45-2:00	Break
2:00-2:45	Period 5
2:45-3:00	Form

Class Cohorts

Each class will be cohorted and will remain together for all classes and breaks. In past years, students in Grades 7 and 8 have operated under a partial rotary system where students mix based on language, enrichment, and course selection; however, under COVID restrictions, students will not mix with different groups. Teachers will go to student classrooms to deliver curriculum as necessary.

Additional information on cohorts:

- A class cohort refers to a specific group of students who are together for the entire day.
- Cohorts are used to assist in planning and contact tracing.
- Students will remain in their class cohorts for all classes.
- Students will remain in cohorts at break and lunch times.
- Specialist teachers will go to classrooms. Students will remain in their classrooms.
- Cohort size will vary, based on class size (between 20 and 22 students).
