

Ashbury College
Bring Your Own Device (BYOD)
Program Device Specifications and Minimum System Requirements

Under the BYOD Program, students in Grades 7-12 are expected to bring their own computing device to school. This personal computing device needs to meet the Device Specifications that are recommended by the school and listed below.

The device specifications identify the minimum system requirements/hardware specifications for student devices and offer guidance on some suggested makes and models so that parents are fully informed about requirements.

Device Type	Mac Laptop	Windows Laptop
Operating System	OS X 10.11 or higher	Windows 10
Wireless*	802.11ac	
Min. Screen Resolution	1024 x 768	
Storage Capacity (SSD or HD)	256GB	
RAM	8GB	
Minimum Battery Life	8 hours
