Senior School Science and Biology Teacher
4-Month Fixed-Term, 84% Teaching Load

Ashbury College is a leading independent school for boys and girls, Grades 4 to 12. We are a diverse, international community, with students from over 50 countries. Benefiting from small class sizes, a respectful environment, technology-enhanced classrooms, and dynamic teachers, our students are inspired to become intellectually vibrant, compassionate, and responsible citizens.

Based in central Ottawa, Ashbury College is currently seeking a Senior School teacher for two Grade 9 Science and two grade 11 Biology classes. We are seeking someone who:

- brings genuine enthusiasm and a high degree of creativity to each class they teach,
- consistently identifies ways to integrate technology into the curriculum,
- enjoys collaborative teaching, and
- is passionate about experiments and demonstrations.

A science degree, ideally specializing in Biology, is required as is certification with the Ontario College of Teachers. Experience with the Ontario biology and science curriculum is also highly desirable.

Teaching delivery is planned to be in-person at Ashbury College, however, will shift to on-line or hybrid teaching if directed by Ottawa Public Health or the Ministry of Education. All students and staff must follow Ashbury College's COVID-19 safety protocols when on campus.

Ashbury College provides a competitive compensation and benefits package, including participation in the Ontario Teachers' Pension Plan. And, if you are not familiar with our modern facilities, international student body, academic excellence, wealth of co-curricular activities, or school values and culture, please visit our website at ashbury.ca.

This appointment is **effective starting late August through mid-December 2021**.

If you are interested in this position, please forward your resume and cover letter to <https://ashbury.simplification.com/> . The deadline for applications is Friday, June 18, 2021, however, *apply without delay* as we will review applications as they are received, and may bring the search process to a close early if an outstanding applicant is identified.

At Ashbury College, our mission is to develop students as responsible global citizens. We do this through a community of employees, volunteers, and students who cultivate and celebrate diversity and inclusion. We strongly encourage applications from all qualified

individuals who are members of groups with historical and/or current barriers to equity. This supports our mission, makes our community stronger, and adds to our culture.

Should you have any questions about this position, please email hr@ashbury.ca

If we contact you about an employment opportunity and you require an accommodation, we'll work with you to meet your needs.
