

## JUNIOR SCHOOL UNIFORM 2021-22

On July 15, the [school store](#) online portal will be open for uniform purchases. All uniform orders placed in the summer will be given to students on the first day of school in September.

Before purchasing clothing, please make sure you measure your child (there is an accurate sizing chart) and refrain from ordering multiple sizes to avoid a backlog of orders. Due to the pandemic, there may be a delay in orders.

Junior School students will continue to wear their PE kit (athletic wear) daily. This uniform consists of their House t-shirt, black Ashbury shorts / Ashbury track pants, white athletic socks, and running shoes. The PE kit is purchased through the [school store](#) website.

Students are also required to purchase one short sleeve green Ashbury polo shirt from the [school store](#). The polo will be worn for more formal occasions as required.

Additional/optional Ashbury athletic wear can be ordered [here](#) and delivered to your home in the summer. This includes an Ashbury hoodie, athletic t-shirt / long-sleeve shirts, and black leggings. These items are not considered part of the PE kit worn for Physical Education and Games classes but can be worn as part of the uniform when outdoors in cool and/or inclement weather. If you have questions, please contact [Mr. Andrew Young](#), Assistant Head of Junior School.

Any changes to the Junior School uniform will be communicated with many weeks' notice.
