

CAS Services: Canadian Accommodation Services

Guardianship Program

CAS Guardianship Program for Ashbury College

2022-2023 School Year

All international boarding students must have a legal guardian while attending school in Canada. The legal guardian is the local contact for your child's school.

Canadian Accommodation Services (CAS) offers professional guardianship services that include services such as Custodianship form, emergency, travel, and disciplinary assistance.

CAS Guardianship

Professional Guardianship Services

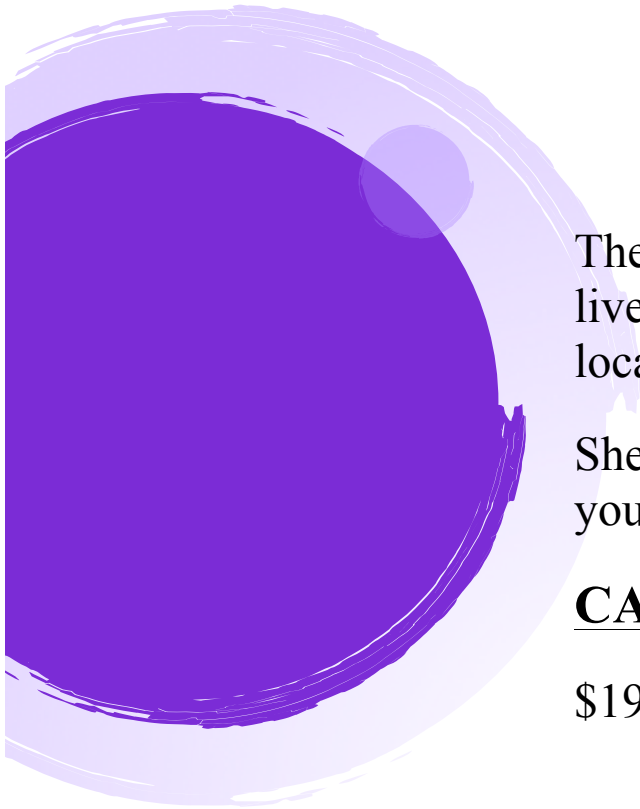

It is very important to have a responsible and attentive guardian for your child to have a successful experience in Canada. CAS staff is always available to offer support for our students throughout their school year.

Immigration, Refugees and Citizenship Canada (IRCC) requires all applicants under the age of 18 who are applying for an initial Canadian Study Permit or renewal to provide a Notarized Custodianship Declaration as part of their Student Permit and Visa application. The guardian remains on file with the Canadian Government as your child's local representative. This original document must be completed and notarized by the Guardian/ Custodian as well as natural parents.

For more information from the Government of Canada, please visit:

www.cic.gc.ca/English/pdf/pub/custodian-parent.pdf

The guardian of your child, Lyne Vézina, lives in Ottawa where Ashbury College is located.

She would be the local person contact while your child is in Canada.

CAS Guardianship Program:

\$1950 CAD (tax included)
