

Ashbury College has switched to the Smart Rec (by Amilia) Platform for Summer Programs to better serve you.

If your child took part in a credit course, camp, or workshop in Summer 2022 or Summer 2023, please use the same login information as before.

Do not create a new account.

If you forget your login credentials or want to re-set your username or password, please follow [these instructions](#).

To create a new account, please follow these simple steps:

1. Go to <https://ashbury.ca/summer>
2. Click on the 'Register' button
3. Create your account
 - Please note: The account owner must be the parent/guardian
The account owner **cannot** be in the student's name
4. Once your account has been created and verified, click on your email address (top right of your screen), and go to my account
5. Click on 'add family members' (which would be the students), enter the student's details, your address and contact information.

You are all set!

You can now login and add your chosen programs (credit courses, camps, or academic workshops) to your card and select any student/child from your account to that program!

If you have any questions, please email summer@ashbury.ca.
